Hi Aaron,

Yes, that is perfectly fine to draft according to the Lions Club plate model.

The official name of the organization is the ALS Association – Wisconsin Chapter. More info is also available at www.alsawi.org.

Please let me know if you have any other questions.

Thanks again,

Emily

Hi Emily,

I'll be drafting this request, which is entered as LRB-2675.

Since 2007, DOT's position has evolved somewhat on how it wants these types of drafts structured. The preferred model is something similar to last session's Lions Club plates, 2009 SB-307 / Act 224, which is similar to the "Donate Life Wisconsin" but not exactly the same. Is it OK if we proceed accordingly?

Also, I need the exact legal name of the entity that will be receiving the funds. And would DOT be making the payments to this entity or would another agency (such as DHS)?

Thanks. Aaron

Subject: Drafting request from Rep Farrow - special license plate

Good Afternoon,

At the request of the Amyotrophic Lateral Sclerosis (ALS) Association – Wisconsin Chapter, Rep. Farrow would like to draft legislation for the organization to have a fund-raising license plate. ALS is also known as Lou Gehrig's Disease.

The organization and Rep. Farrow have agreed to model the legislation on 2007 AB 442, a bill by Rep. Ballweg to create a fund-raising license plate for Donate Life Wisconsin. The ALS Association understands that the DOT will first need to recoup start-up costs, and agrees to annually submit an audited financial statement of funds received, understanding that funding would be discontinued if the ALS Assoc were to lose its tax-exempt status.

Please find more information about the group here, www.alasawi.org, if that will be helpful.

Thank you, please let me know if there are any questions.

In my last email I forgot to answer your final question –

I believe the DOT would be making the payments? My understanding is that once the DOT recoups the initial startup and production costs of the special plates, the proceeds thereafter are directed to the organization. I admittedly am not an expert – please let me know if you think it should be set up a different way.

Thank you,

Emily

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

AN ACT ^{Ger} relating to ^{Wisconsin Chapter} special distinguishing registration plates associated with the ALS Association and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special plates were specifically enumerated in state law. With certain exceptions, current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special plates supporting the Wisconsin Chapter of the Amyotrophic Lateral Sclerosis (ALS, also referred to as "Lou Gehrig's Disease") Association. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and a \$25 annual fee that provides funds to the ALS Association, Wisconsin Chapter. If the special plates will display any logo or symbol associated with the ALS Association, DOT may not issue these special plates until DOT has obtained authority to use any applicable trademark or service mark associated with the ALS Association on these special plates.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 AN ACT *to amend* 341.14 (6r) (b) 1. and 341.14 (6r) (fm) 7.; and *to create* 20.395
2 (5) (ei), 25.40 (1) (a) 30., 341.14 (6r) (b) 15., 341.14 (6r) (f) 62. and 341.14 (10)
3 of the statutes; **relating to:** special distinguishing registration plates
4 associated with the ALS Association and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special plates were specifically enumerated in state law. With certain exceptions, current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special plates supporting the Wisconsin Chapter of the Amyotrophic Lateral Sclerosis (ALS, also referred to as "Lou Gehrig's Disease") Association. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and a \$25 annual fee that provides funds to the ALS Association, Wisconsin

Chapter. If the special plates will display any logo or symbol associated with the ALS Association, DOT may not issue these special plates until DOT has obtained authority to use any applicable trademark or service mark associated with the ALS Association on these special plates.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 20.395 (5) (ei) of the statutes is created to read:

2 20.395 (5) (ei) *Payments to the ALS Association.* From the general fund, all

4 Wisconsin Chapter, under s. 341.14 (10).

5 **SECTION 2.** 25.40 (1) (a) 30. of the statutes is created to read:

6 25.40 (1) (a) 30. Moneys received under s. 341.14 (6r) (b) 15. that are deposited
7 into the general fund and credited to the appropriation account under s. 20.395 (5)
8 (ei).

9 **SECTION 3.** 341.14 (6r) (b) 1. of the statutes is amended to read:

10 341.14 (6r) (b) 1. Subject to subd. 1m., upon application to register an
11 automobile or motor home, or a motor truck, dual purpose motor home or dual
12 purpose farm truck which has a gross weight of not more than 8,000 pounds, or a
